LOWER GROUND FLOOR

PROJECT

We create beautifully designed spaces using the most environmentally sustainable construction technology. Thereby, we do our job of protecting the environment and ensuring customers' happiness coupled with the safety of their investments and assets value appreciation. This is a 25 acre planned township comprising of corporate suites, club, mall, 3 office blocks & 4 residential towers.

We have secured the best location in Greater Noida West: Kisaan Chowk ensuring excellent connectivity to Delhi, Noida, Greater Noida and Ghaziabad with an walking distance of 400 meters from the proposed metro. Prepare yourself to be overwhelmed upon entering the 70 ft. tall open arena. The land is fully paid up and project is approved.
